ABOUT ME

I'm a passionate MERN Stack Developer with a strong focus on building scalable, responsive, and user-friendly web applications. I have hands-on experience with MongoDB, Express.js, React.js, and Node.js, along with modern tools like Git, RESTful APIs, and deployment platforms. I enjoy solving complex problems, writing clean and maintainable code, and continuously learning new technologies to improve performance and user experience.

EDUCATION

2021 - 2022 **Shree Swaminarayan Gurukul - Taravada**

12th - Commerce Percentages :
89.57%
